

# BIO Shot

**A liquid concentrate for yield improvement**

**CONTAINS NON-PLANT FOOD INGREDIENTS:**

**0.3470%** ..... Extracts of rice bran wax

**0.0060%** ..... Extracts of rapeseed

**Apply Bio Shot at the rate of  
1.35 oz/acre (100 ml/ha) to:**

**Field Crops:** Corn, soybeans, drybeans, apply in furrow at time of planting. For optimum results apply a second time as a foliar spray or soil application.

**Tree Fruit:** Apply as a foliar spray at pre-bloom, petal fall, 30 days post bloom, and 30 days pre-harvest.

**Small fruits, raspberries, strawberries, blackberries, blueberries, vegetables:**

For transplants dip in a 1% solution or add 1.35 oz/acre (100 ml/ha) to the transplant water. Apply at the rate of 1.35 oz/acre (100 ml/ha) as a foliar spray or through drip or overhead irrigation every 30 days after planting. Apply as plants come out of dormancy, and every 30 days during the growing season.

**Hay and pastures:** Apply at greenup and after each cutting or pasture rotation.

**Winter Wheat:** Apply as a foliar spray post emergence and again in the spring at greenup.

**Spring wheat and oats:** Apply as a foliar spray post emergence.

**Precautions:** Does not require special handling procedures. Non-hazardous to Humans, Fish, or Animals. May cause eye or skin irritation. Use lenses or face mask when target is above applicator. Bio Shot will not enhance the efficacy of pesticide products.

**Procedures:** If product comes in contact with skin, wash thoroughly with soap and water. If product comes in contact with eyes, flush for 15 minutes with pure water. If irritation persists, seek medical attention.

**Handling:** Product is non flammable or explosive. Store product in original container in a cool, dry place. Product can be stored for 2 years in sealed, original container at temperature between 4 - 32° C.

**Warranty:** Ag Biotech, Inc. warrants that the content of this package is consistent with the composition listed on the label. Ag Biotech, Inc. makes no warranty, either expressed or implied, concerning the use of this product other than indicated on the label. The formulator and distributor take no responsibility of the results obtained from use.
